CHIEF 1980

SOUTHWEST INDIAN SCHOOL, 14202 N. 73 Avenue, Peoria, Arizona 85345

**AN OPEN LETTER
TO ALL OUR VOLUNTEERS:**

To each one of our full-time volunteers, work crusaders, tutors, and part-time volunteers who by giving of their time and love have helped to make Southwest Indian School what it is, we proudly dedicate this 1980 CHIEF.

Without your help in each of the many areas of our school, we would not be able to continue to give our American Indian boys and girls the quality education for which southwest Indian School is known.

With your continued help we will endeavor to meet the spiritual, educational, and physical needs of the many American Indian youth.

THANK YOU WITH ALL OUR HEART!
The Staff and Students of S.I.S.

PRAISE THE LORD!

A new High School classroom building has been planned and talked about for many, many years. Now it is a reality. The Home Ec rooms were first used in March and the entire building will be ready for the opening of school in the fall of 1980.

Many people helped to make this possible and we thank each one of them. In addition to the classroom building there were several other building projects completed during this year that were very much needed.

Our sincere thanks to each one who made this dream become real.
